I looked it up to see what airline they'd be flying. Why? Idle curiosity. I flew twice a week for 20 years, so I checked to see who they're flying. They're flying on American Airlines. The Philly hub threw me somewhat, because their major hub is DFW.

Well, any AA employees who are leftist scum (and there are plenty) could fuck with this kid. They probably haven't sold that many tickets for this route today, so they could easily tell who it is. Luggage? Gone. Singled out for extra screening by TSA? Absolutely. Accidentally delete the reservation? You betcha.

Oh...their major hub has always been DFW, but the way he told it, it sounds like he's flying nonstop from Commiefornia to Philadelphia on AA. This would not have been possible until very recently. Then, he drives from Philly to D.C. That's all I got peeps.

So far as a gun, you can certainly fly cross country with a gun, that's not an issue. All you need is a valid photo ID but you need that to get on the plane.

Join a MAGA caravan. Start one if you don't have it.

Here's 1 caravan already organized. It's sleek. We need some copy cats for other states.

<https://thedonald.win/p/11R4ucQt9Q/organizing-caravan-for-dc-marchi/c/>

You don't need to lead the caravan, only organize. Leaders get picked out at the first meeting or en route. Once the ball gets rolling, strong leaders naturally come out of the woodwork ready to take charge. Getting people there to begin with is what's important. Any of us memesammers can do that.

Metallica, Slayer, Pantera, Megadeath, and Death.

Do I like it? Can I mosh to it? Then it's metal. That's how I define things. I can't deal with the 4000 micro-genres and then you get critics telling bands that they're not really in the genre that band actually created!

Having flown lax to DC many times, the getting there is the worst. You lose an entire day and don't know where it went. We've since moved to VA so that flight is no longer needed.

Arlington native here...for anyone staying in our hurt-ing blue county, you may know there's a "new & improved!" mask mandate when outside and a nightly curfew between midnight and 5 AM for the past two weeks. But I'm glad to report that I've gotten away with flaunting both. Dirty and spooked looks are common, but no one's said a word to me...so one less thing to sweat while you're going about your mission.

Still monitoring the situation to see if they're going to try to block any bridges...but yeah as far as safety and trail layout otherwise, you should be good.

Motherfucker, why did you post this? I wouldn't be surprised if Antifa or BLM are waiting at airports to try and kill supporters.

Anyone reading this, DONT POST ANY INFORMATION ABOUT YOUR TRIP! Loose lips sink ships and all that.

There will be MANY of us on EVERY plane, train and most buses going to DC on the 5th & the early AM of the 6th.

So info like this is not super identifying.

Personally, I expect to get there on train. I assume I will see randomly see other people on the train with MAGA gear or at least bags that look to contain signs or flags. I assume when my train arrives, MORE people will show their colors and likely, join an on-the-spot pride of lions and walk to Capitol Hill. With numbers BLM and Aunt Tifa's people can not match.

I would be shocked if there are not 100K of us there. I would not be surprised by over a million.

In fact BE CAREFUL about providing any personal information. Don't trust ANYONE. Remember there were ANTIFA AND BLM dressed up as MAGA people who followed people to thinned out crowds, and attacked them.

I'm so happy for you though. Soon the ✈ flights will be scarce.

It will be wonderful.

Phl to DC is over a 6hr drive iirc, and lots of tolls. BWI, IAD, DCA are all much closer. RDU is about 4 hr. CHO is 2hr. and plenty other airports also. LAX to RDU on american should be cheap. Airlines make it cheap for travel for hubs & focus cities.

If you haven't rented a car yet, or purchased an amtrak ticket, we have a mini bus traveling south from Hazleton PA. We were going to head to Gettysburg and meet up with the caravans, but we're heading through Philly to pick up 2 friends. If you need a lift, we got room for 2 more, we'll be going through there around 7 am.. this will be on the morning of the 6th if you're staying in a Philly hotel, just shoot a msg..
